Dear Friends of Independence Landing,

In just over two years since opening our doors in October 2023, Independence Landing has grown into a thriving community where 58 residents live with dignity, belonging, and purpose. What began as a bold vision has become a vibrant neighborhood filled with opportunity, friendship, and meaningful independence.

With your support, we have strengthened our workforce development and culinary training program, opened the Press Café—staffed by residents and support team members—expanded life-enrichment opportunities, and hosted countless experiences, gatherings, trainings, and shared moments that build confidence and connection. Every step forward reflects the power of community partnership and the belief that adults with intellectual and developmental disabilities deserve the chance to flourish.

As Independence Landing continues to thrive, we remain committed to ensuring long-term stability and enriching the lives of all who call IL home.

To help sustain our mission and our ongoing operational needs, we invite you to join us as a sponsor for our next **Bubbles, Bites & Brews (B3) Bash on Thursday, March 26, 2026**, held right here at Independence Landing.

The B3 Bash is not only our signature fundraising event—it is an opportunity for friends, neighbors, and supporters to experience firsthand what your generosity makes possible. Guests will be able to tour the campus, meet residents, and hear a few of the many stories that continue to shape this extraordinary community.

Your sponsorship plays a vital role in strengthening our programs, providing workforce development, maintaining affordability, and ensuring residents have the stability and support they deserve. Enclosed is a list of sponsorship opportunities and the donation form.

Please feel free to contact any of us with questions. Thank you for believing in this mission and for standing with the residents and families of Independence Landing.

We look forward to seeing you at the 2026 B3 Bash!

With gratitude,

Your friends and neighbors on the Independence Landing Board,
